

Joshuacord

Joshuacord is a non-profit (501c3) Christian organization that believes in humanitarian rights and justice for everyone. www.joshuacord.org

Our mission is to raise awareness for Persecuted Christians in the Middle East and Africa and to encourage other Christians to pray and support the Persecuted Church.

We are an advocate for those suffering for Christ and we want to raise hope for those brothers and sisters who are persecuted for their Christian faith. In the last five years we have raised money and given support to multiple Churches who are under Persecution in the Middle and in Africa.

Every month more than 250 Christians are killed for their faith in Jesus, 100 are abducted, 66 churches are attacked, 150 Christians are imprisoned, and 175 women are raped – all for believing in Jesus.

Jesus expects us to help fellow believers

So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith. Galatians 6:10

Christians in the Mirror

Joshuacord has partnered with In Altum Productions www.inaltumproductions.com, to produce the documentary, *Christians in the Mirror*, which sheds light on the suffering and desperation of persecuted Christians. (www.christiansinthemirror.com)

The documentary's goals are to inspire Christians in the U.S. to get more involved with helping those in need in places where living as a Christian is dangerous and to help unite Christians regardless of their denomination or location.

In 2017 we traveled to Syria, Iraq, Egypt, South Sudan and India to document stories of courage, desperation and hope for Christians in the Mirror. Completion and distribution of the film is scheduled to start in the summer of 2018.

Consider organizing a screening on this Christians in the Mirror at your church this summer or fall.
