

**Hundreds of millions of
Christians are persecuted
to the extreme.
They suffer torture,
rape, crucifixion,
enslavement,
expulsion and
genocidal murder.**

the widow of Samuel Ilhim

men beheaded by ISIS
in Libya in 2015

THE PEOPLE OF THE CROSS

**This exhibit shows the brutality
experienced by 300 million people
worldwide simply because they
follow Jesus.**

**In a record number of countries,
1-in-9 Christians experience heavy
persecution. Sixty percent are
children; women and girls are
violated most.**
